Holding-435,Uttar Kaliajury,Comilla-3500,Comilla,Bangladesh.

EDUCATION

Bachelor of Science (CSE)

BAIUST,
Comilla Cantonment,Comilla.
CGPA-3.74/4.00
2016-2020

Higher Secondary Certificate

Comilla Govt. College
GPA- 4.5/5
2015

Secondary School Certificate

Police Lines High School, Comilla
GPA-5.00/5.00
2013

SKILLS

- *Data Science*
- *Data Analytics*
- *Python*
- *SQL*
- *Scikit-learn, Numpy & pandas*
- *Tensorflow & PyTorch*
- *Machine Learning*
- *Deep learning*
- *Power-bi*
- *Cloud Computing*
- *Docker & Git-Github*
- *Communication*
- *Leadership*
- *Team work*

A motivated Data Scientist with specialist expertise in time-series analysis, computer vision, customer segmentation, and KYC/AML. Assists the decision makers to take decisions based on data and helping them to improve their existing products and marketing strategy using data analysis & data science and developing Interactive dashboards and ML products for commercials.

EXPERIENCE

Data Scientist (Remote)

Innova analytics · (20 Majestic Pl, Runcorn QLD 4113, Australia) · June 2022 - Present

- Developed computer vision algorithms for petrolium industry.
- Time Series dashboard for petrolium industry.
- Working closely with Senior Data Scientists.

Data Scientist (Remote)

Leading Data Solutions · (Sydney, Australia), May 2021 - May 2022

- Developed machine learning models for the sales data.
- Developed G.I.S application.
- Performed regression analysis on performance testing.
- Developed data pipeline for large scale production data.
- Worked closely with CEO

Intern Data Scientist (Remote)

FamaCash · (Collegeville, PA 19426, USA) · OCT 2020 - NOV 2020

- Solved business-related problems using data-driven techniques.
- Created data-driven models for User Behavior, Sales, and Revenue.
- Learned and applied knowledge of Machine Learning and Artificial Intelligence on projects.
- Perform ad-hoc analyses.
- Worked with KyC/AML.

CERTIFICATIONS

- *Power BI Essential Training (Issued by LinkedIn)*
- *Data Science Professional Certificate (Issued by Coursera, Authorized by IBM)*
- *DeepLearning.AI TensorFlow Developer(Issued by Coursera, Authorized by Deeplearning.ai)*
- *Applied Data Science I: Scientific Computing & Python (with honors) (Issued by WorldQuant University)*
- *Spark - Level 1 (Issued by IBM)*
- *Google Cloud Data Engineering(Issued by Qwiklabs)*
